## WORK EXPERIENCE

### **President / Lead Developer :: 2000-Current**

Milo Digital - Complete Web Solutions

Responsible for creating complete, custom online solutions for clients in the educational, business, and non-profit sectors in CA, KY, IN, NY, TN, TX, and VA. Handling everything from concept to creation.

Front-End: XHTML, CSS, Flash, JavaScript, jQuery. Back-End: PHP, MySQL, AJAX, XML, JSON.

### **Senior Developer / Independent Consultant :: 2009-Current**

HYFN

Responsible for creating complete widget solutions for national and international brand campaigns including Vitamin Water, WEtv, JCPenney, and more. Development includes Flash AS3, PHP, MySQL, and numerous 3rd-party APIs for different projects: photo upload and resizing, video uploading and server-side encoding, web-based mobile phone texting, content moderation, analytics tracking, social network sharing, Adobe AIR, and more.

### **Senior Flash Developer / Independent Consultant :: 2008-2009**

Evolve Interactive

Contributing to an international team developing web creative for local and national brands including Oberto Beef Jerky, Sony Pictures, California Raisins, Mercury Insurance, and more.

Front-End: XHTML, CSS, Flash, JavaScript. Back-End: PHP, MySQL, XML

### **Associate Instructor of Flash Interactive :: 2007-2008**

Indiana University

As the sole instructor, I was responsible for the syllabus, lectures, handouts, homework, and final grades for two semesters of an undergraduate course in Flash web development.

### **Communications Intern :: 2005**

Virginia Farm Bureau

Edited award-winning commercial, assisted with production of nationally-televised news show, wrote press releases, took magazine photos, and contributed to corporate website.

### **National Service Representative :: 2002, 03, 04, 06, 07**

Ferry Morse Seed Company

Maintained business relationships throughout the US. Drove company vehicle over 83K miles through 47 states. Self-managed daily and weekly activities, including route plans and daily work.

## SKILLS
